

CV for Ivan McFie

Flat 4 58 Tufnell Park Rd London N7 0DT
07916 124910 designatedesignltd@gmail.com

Personal

- Entered 12 step recovery June 1994, attending groups consistently since, (AA, NA, SAA, SLAA, OA, DA, CoDA, ACA.) sponsoring dozens of people since.
- Attended therapy- schema therapy, CBT, Chiron body based therapy, Jungian therapy, EMDR, Neurofeedback, couples counselling, bereavement counselling, coaching etc.
- Substantial successful experience of dealing with trauma- I was a war photographer during the Afghan Soviet war 1989 aged 19.- For which I have been successfully treated and recovered.
- Worked in the British film industry, awash with class A drugs between 1990-1994, substantial experience of working with the worlds most famous people, and dealing with their concerns.

Key Skills

- Sales, account handling with Designate Design Ltd meeting clients, selling my companies architecture products to them.
- Managing different teams of varying sizes, managing client expectations.

Senior Architectural Consultant

7/22-9/23

TKMaxx Senior manager, three teams of up to ten architects in Poland, Germany and Austria.
Reviewing drawings of proposed sites, managing the new version of the manual for TKMaxx stores look and feel for roll out across Europe.
Role included presenting proposals to the senior management, of TKMaxx Europe etc.
I would attend up to three meetings a day, and would be presenting at most of them

10/10-6/22

Designate Design Ltd- was set up in 2010. I employed a senior architect for the duration of this time and we started off working on small extensions, ended up winning substantial projects- 40 unit housing projects, over the duration of 12 years. My job role included selling to developers by becoming a regular speaker at property information network (pin), on the latest planning changes across England, and planning gain from property development. This was a sales role, a managers role, accountancy, etc.
Residential work included-
Survey of a 10,000 sqm site at Brixton for Evolve Housing Association.
Planning application and permission granted for 6 x 58 sqm unit development of prefabricated starter homes, Portslade. (All Planning stages) Land currently under offer.
Pre- planning application a 40 unit development, Badgers Hole, Croydon.
Application for a drive-through cinema at a site in Colchester, etc, etc

Hotels- Corporate Identity for the Engelberg Trail Hotel, Switzerland, Exterior design for a chalet hotel in Monterosa Italy

2/06-11/10

Retail Architecture technician at Lloyd Northover-

3D visualiser at Lloyd Northover, Architectural technician- Interiors and layout designer at Lloyd Northover for Europe-wide roll out programme.

I generated photo realistic rendered images for planning purposes and the retail roll out programme for Infiniti and Lexus. Project values £5-50 M. Moscow to The Canary islands. I continually reinterpreted the interior and exterior concept design, drawing up interiors, internal layouts, elevations/sections and signage; this included consultation with project managers based in Europe, and financial negotiations with the client.

Architectural technician- Coordinator of workshop survey project for branding purposes, at Lloyd Northover This project involved the coordination of a 150 site European wide survey project.

It included briefing, overseeing, and running workshops/focus groups for European project managers, to ensure consistency of feedback and drawings over twelve countries, as well as drawing up dozens of these sites and ensuring that the rest of my team were able to complete their drawings effectively.

Architectural technician- Retail domestic UK design and build projects, at Lloyd Northover
£3-5 M. Including feasibility, planning, tender, construction and as built drawing Packages.

Education

98-02

BA hons South Bank University, Architecture.

Interests- Extreme sports, have competed in Ski competitions and downhill mountain biking.
